

FNG NV APPOINTS CEO a.i.

Mechelen, 08 June 2020, 12:00 CEST – FNG NV (FNG, Euronext Amsterdam, Euronext Brussels) (“FNG”) appoints Mr Yves Pollé as member of the executive board and Chief Executive Officer a.i.

The appointment of Mr Yves Pollé fits within the current strategic thinking and the recovery plan on which FNG NV is working. Mr Yves Pollé's experience as transformation manager has an important added value in the further development of the recovery plan and in the negotiations with the various stakeholders. At present, Mr Yves Pollé's assignment is linked to the implementation of the group's recovery plan and therefore ad interim.

In recent years, Mr Yves Pollé has been involved in various change processes, both domestic and abroad. His international experience will benefit the further integration of the Ellos activities into the FNG group.

Thanks to this strengthening of the executive board, Manu Bracke will be able to focus again on the operational management of the company as COO.

More detailed information on the current financial situation and the future plan will be published in the press release on the 2019 annual results.
